

## Farmpark Activities

**Hands-on milking:** Learn about dairy cows and have an opportunity to milk a bovine beauty.

**Machine milking:** Do farmers still milk their cows by hand? Watch a demonstration and see the machine milk the dairy cows.

**Animal encounter:** Many different farm animals call the Well Bred Shed home. Meet an animal and learn why farmers raise it.

**Harnessing demonstration:** Learn about the pieces and parts of harnessing equipment and see the steps involved in harnessing and/or unharnessing horses.

**Horse grooming:** Learn the basics of how to groom and tack a horse.

**Equine demonstration:** From stall to saddle, this demonstration may include riding, driving, and more.

**Meet the breed:** Meet a horse and learn about its breed characteristics, history, and how it can be useful on a farm.

**What's buzzing with the bees:** Explore the world of honeybees while examining the observation hive.

**Hydroponics:** Did you know you can grow plants without soil? Explore hydroponics and learn about the science of growing and gardening using water.

**Gift Shop:** Pick up some wool from Farmpark's sheep, Ertl tractors, home decor, plush animals, and more!
