

## Farmpark Activities

**Meet the breed:** Learn about different breeds of animals and their functions on the farm. Check locations and times to meet our dairy cows or horses.

**Its past-ure bedtime:** Watch our dairy staff round up the cows for their evening walk up to the pasture, where they eat and relax until morning.

**Border collie demo:** Watch one of our border collies herd sheep while learning about herding techniques and animal instincts.

**Raising backyard chickens:** Learn about the basics and how-tos of raising chickens in your own backyard.

**Farmer chat:** Sheep, pigs, cows and more! Chat with one of the farmers in the barnyard to learn more about the farm animals.

**Riding demo:** Learn about different styles of horseback riding.

**Driving demo:** See how horses “pull their weight” on the farm. Learn about various styles of driving and how different breeds serve different needs.

**Scratch ‘n sniff garden tour:** Enjoy a guided tour of the gardens and raised beds surrounding the Plant Science Center while learning about our sense-sational plants.

**What’s the buzz?:** See the hives where our resident bees keep busy and learn how bees help us pollinate crops.

Feel free to ask any Farmpark staff questions and/or directions.
