

Farmpark Activities

Meet the breed: Learn about different breeds of animals and their functions on the farm. Check locations and times to meet our dairy cows or horses.

Its past-ure bedtime: Watch our dairy staff round up the cows for their evening walk up to the pasture, where they eat and relax until morning.

Raising backyard chickens: Learn about the basics and how-tos of raising chickens in your own backyard.

Farmer chat: Sheep, pigs, cows and more! Chat with one of the farmers in the barnyard to learn more about the farm animals.

Riding demo: Learn about different styles of horseback riding.

Driving demo: See how horses “pull their weight” on the farm. Learn about various styles of driving and how different breeds serve different needs.

Scratch ‘n sniff garden tour: Enjoy a guided tour of the gardens and raised beds surrounding the Plant Science Center while learning about our sense-sational plants.

Feel free to ask any Farmpark staff questions and/or directions.
