

Scheduling

Please schedule at least **two weeks** in advance. Call between 8:30 a.m. and 4:30 p.m. weekdays. To schedule a program, please call the phone number indicated in program description.

Be prepared with first and second choices of dates and times and have the “Registration Checklist” information (page 19) ready when you call. Spring and fall dates fill well in advance!

In order to maximize your visit to Lake Metroparks, please confirm your arrival and departure times with your transportation department several days before your visit.
