

Assembly Programs

Soaring Silhouettes

1 hour • 30 students minimum

See live hawks, falcons, vultures and owls up close! Take an in-depth look into their natural histories and their personal stories. Learn about adaptation, predator/prey relationships, food chains, habitats, endangered species and much more!

To register for this program, call 440-358-7275.

at Penitentiary Glen Reservation or your site

Feathers, Fur & Scales

1 hour • 30 students minimum

What animals are covered with feathers? What animals are born with fur or scales? Meet several Wildlife Center permanent residents face-to-face and discover where they live, their favorite foods, their hunting techniques and many more facts about the lives of Ohio's animals.

To register for this program, call 440-358-7275.

at Penitentiary Glen Reservation or your site

Biodiversity Bonanza

1 hour • 30 students minimum

Meet several permanent resident animals from the Wildlife Center and Farmpark. From wild owls and opossums to domestic animals like sheep and chickens, all have special adaptations that help them exist in their habitats. Learn how wild and domestic animals fit into our planet's ecosystem. To register for this program, call 440-358-7275.

at Penitentiary Glen Reservation or your site

Adopt-an-Animal

30 to 45 minutes • 30 students minimum

Your class or school can adopt an animal of its choice from the Wildlife Center. Your sponsorship helps defray some of the expenses of daily animal care, including food, housing and medicine. This program also includes a personalized letter, certificate and fact sheet about your adopted animal. Donate \$75 or more to receive an in-class/school visit from the adopted animal. Contributions to Adopt-an-Animal are tax deductible as allowed by law.

To register for this program, call 440-358-7275.

Discover Farm Animals

45 minutes

We'll bring barnyard animals to your preschool. Children will sing farm songs, encounter a sheep and two other farm animals and learn how farm animals provide food for us.

To register for this program, call 440-256-2122.

at your site

Barnyard Goes to School

1 hour at your school

Children encounter a sheep and two other farm animals to investigate farm animals up close. We'll look into how farmers provide for the basic needs of farm animals and how they provide food for us. Students will learn how wool is turned into yarn. Program also available for grades 3-5.

To register for this program, call 440-256-2122.
