

with gratitude,

SPOT-LITE

THE MAINTENANCE, DEVELOPMENT AND PRODUCTION of Farmpark takes a great deal of support from Lake Metroparks, its staff and volunteers. Also important are the many donations, sponsorships, memberships and materials that have been graciously offered in support of the Farmpark program.

We would like to take this moment to recognize specific supporters of Farmpark over the past year through donations to the Farmpark funds in the Lake Parks Foundation or Lake Metroparks.

Western Reserve Farm Cooperative

We also want to thank the many sustaining, contributing, family and individual members and the many small cash and in-kind donations that help us continue to improve the experience at Farmpark. We also thank the many groups and individual volunteers who help make events and daily programs enjoyable for all visitors.

A special thanks to our 2009 Back-A-Breed members who, this past year, have helped in the acquisition and support of our equine partner, the Friesian horse Thiadrik.

Back-A-Breed at Farmpark

Meet our border collie Maddie, one of the newest members of Farmpark's family. Maddie came to us from Virginia on April 29. She is six years old and is training with our sheepherders and sheep to perform the daily herding demos for Farmpark guests. You can help support Maddie through one of Farmpark's three levels of Back-A-Breed sponsorship.

At the \$25 level you'll receive a collectible border collie model plus a certificate and bookmark with Maddie's picture and a brief description of the history of this breed.

At the \$50 level you will also receive a quality canvas tote with Maddie's picture on it and your name on the Back-A-Breed Recognition Board.

At the \$100 level you will also receive a beautiful plush border collie and a voucher to visit Farmpark and have your picture taken with Maddie.

A portion of each sponsorship is tax deductible.
For an application or more information, call 440-256-3063.
