## VISITOR CENTER

### THEATER

**Ice cream making:** Think ice cream only comes from a store? Find out what goes into it and help make this favorite treat.

**Meet Cowboy Ben:** Watch and learn as he demonstrates amazing rope tricks.

**Balloon presentation:** Meet Swifty the Clown and enjoy this hands-on class. The show ends with masterpieces created by each person.

### WORKSHOP

**Stone Soup:** Watch the story of *Stone Soup* and then make some yourself. Return at noon to taste your culinary creation.

### ATRIUM

**Snowshoe trek:** Pre-register at the admission desk for this program. Meet in the atrium for program introduction. (Weather permitting).

### DAIRY PROCESSING

**Cheese making:** Discover how to make this dairy favorite.

**Butter making:** See the magical making of this dairy product.

## ARENA

**Posse demo:** Watch Lake Metroparks' Mounted Posse demonstrate training techniques.

**Drive a draft:** Walk in the footsteps of giants as you step back in time before there were tractors. You will learn to drive a draft horse.

**Mini horse cart driving:** Be the co-pilot in a horse-drawn cart as Farmpark staff takes you for a spin around the arena.

**Cowboy and the horse:** Chat with "Wild Bill" and explore some of the history behind old-time cattle drives.

Today's event

## ARENA

**Meet the Friesian horse:** Meet Thiadrik, part of Farmpark's equine family.

### HITCH-N-HARNESS

**Groom the horse:** Meet a horse and discover how to properly groom him.

**Blacksmithing:** Watch basic blacksmithing techniques.

**Harnessing demo:** Before they can plow or pull a wagon, our draft horses must dress for the job. Watch and ask questions as Farmpark staff members demonstrate the intricate process of harnessing drafts.

### WELL BRED SHED

**Animal encounters:** Meet chickens, sheep and young farm animals. Enjoy meeting these animals up close.

**Felt making:** Take some wool and turn it into felt! We'll show you how to create a felt project to take home.

**Sheep shearing:** Watch as we treat our sheep to a haircut. Sheared wool from sheep is used to make clothing, rugs and more.

**Sheeper-cise:** You may have walked a dog before, but how about a sheep? Take a stroll with one of our sheep.

### GRAIN PLACE

**Cookie workshop:** Come decorate a Smiley cookie from Eat'n Park.

**Play clay:** Mix up a batch of play clay and design a sculpture to take home. Take home the recipe.

**Little Red Hen:** Enjoy the story of the *Little Red Hen* and discover how wheat is grown, harvested and processed to make bread.

## WOODLAND CENTER

**Maple sugaring:** Stop in to view our maple sugar operation.

## PLANT SCIENCE CENTER

### HYDROPONICS GREENHOUSE

**Crafting time:** Visit the Plant Science Center and be creative during our make-it, take-it craft time!

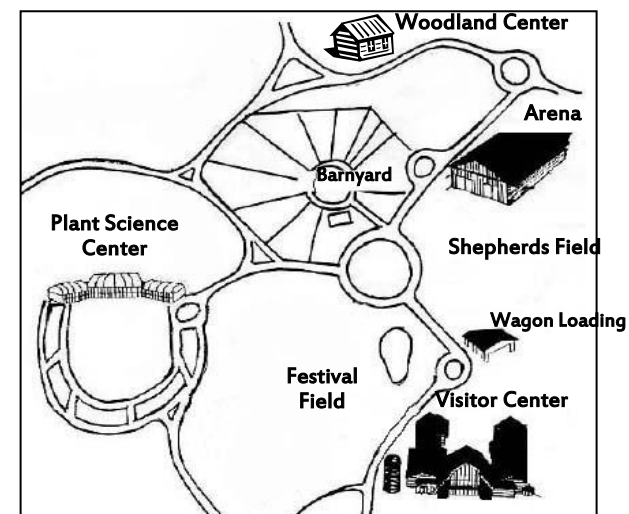

### LOBBY

**Solar and wind power tour:** Observe solar array and wind turbine parts up close. Learn how they convert nature's elements into energy.

**Awesome apples:** Learn about different varieties of apples and sample apple products.

### GREEN LAB

**Candle making:** Try your hand at candle dipping and take your creation home.
