

Lake Metroparks Geo Trail 2022

Discover the natural hidden gems of Lake Metroparks as you explore these areas on a treasure hunt!

How to participate:

- Go to [geocaching.com](https://www.geocaching.com) to sign up for a free membership and create a cache handle.
- Visit [goto.lakemetroparks.com/geocaching](https://www.goto.lakemetroparks.com/geocaching) for a complete list of caches and more detailed information.
- On the next page, write down the number found inside each cache container in the box directly after the name of the park it was found in.
- Once you find at least nine caches and have logged them on [geocaching.com](https://www.geocaching.com), fill out the online passport to reveal the coordinates for the bonus FINAL CACHE and receive your path tag. One path tag per cache handle.

Questions? Contact Heather Freeman at hfreeman@lakemetroparks.com or 440-256-2118 x4111.

Lake Metroparks Geo Trail

Write down the number found inside each cache container in the box directly after the name of the park it was found in. Once you have recorded your findings inside each cache container and/or figured out the bonus final cache, fill in your personal information and turn in this form via email or mail to receive your path tag.

Take a photo of or scan this form and email it to hfreeman@lakemetroparks.com or you can mail to: Lake Metroparks Environmental Learning Center, Attn: Heather Freeman, 7250 Alexander Rd., Concord Twp., Ohio 44077
