

RFP #2021-022 Waste Removal Bid

Addendum 1

Issued 5/5/2021

Lake Metroparks received the following questions regarding BID 2021-022, here are the responses to those questions issued as an addendum. Please remember to acknowledge this addendum on page 12 Attachment "E" of your bid submission.

Does the hauler have to bid on both the trash and recycling services? (Will the Metroparks award the trash services to 1 hauler and then the recycle services to a different hauler)

Lake Metroparks reserves the right to reject any and all bids and parts of any and all bids and waive any informalities.

Haulers may bid on recycling or waste removal or both services. If they choose not to bid on either recycling or waste removal, they should note "no bid" in that section.

Award will be made by the Board of Park Commissioners in the way most advantageous to Lake Metroparks.

Is the current contract in place public records? If so, how would be go about obtaining a copy of it?

Please see the 2018 tabulation and 2018 bid charts attached. Note the bid charts for container size and frequency of pickups have changed slightly from 2018 in the 2021 bid.
