

Farmpark Activities

Hands-on milking: Learn about dairy cows and have an opportunity to milk one of our bovine beauties.

Border collie demonstration: Watch one of our border collies herd sheep and learn about herding techniques and animal instincts.

Animal encounter: Many different farm animals call the Well-Bred Shed home. Meet one of these animals and learn why farmers raise them.

Equine demonstration: From stall to saddle, this demonstration may include riding, driving, and more.

Meet the breed: Meet one of our horses and learn about their breed characteristics, history, and how they can be useful on a farm.

What's buzzing with the bees: Explore the world of honeybees while examining our observation hive.

Hydroponics: Did you know you can grow plants without soil? Explore our hydroponics and learn about the science of growing and gardening using water.

Gift Shop: Pick up some Farmpark maple syrup and maple candy, wool from Farmpark's sheep, Ertl tractors, home decor, plush animals, and more!
