

Farmpark Activities

Hands-on milking: Learn about dairy cows and have an opportunity to milk a bovine beauty.

Machine milking: Do farmers still milk their cows by hand? Watch a demonstration and see the machine milk the dairy cows.

Border collie demonstration: Watch a border collie herd sheep while you learn about herding techniques and animal instincts.

Animal encounter: Many different farm animals call the Well Bred Shed home. Meet an animal and learn why farmers raise it.

Harnessing demonstration: Learn about the pieces and parts of harnessing equipment and see the steps involved in harnessing and/or unharnessing horses.

Horse grooming: Learn the basics of how to groom and tack a horse.

Equine demonstration: From stall to saddle, this demonstration may include riding, driving, and more.

Meet the breed: Meet a horse and learn about its breed characteristics, history, and how it is useful on a farm.

What's buzzing with the bees: Explore the world of honeybees while examining the observation hive.

Hydroponics: Did you know you can grow plants without soil? Explore hydroponics and learn about the science of growing and gardening using water.

Gift Shop: Pick up some wool from Farmpark's sheep, Ertl tractors, home decor, plush animals, and more!
