

Kickin' Stash Workshop Supply List

Created by Beth Helfter, EvaPaige Quilt Designs

- **“Kickin' Stash” pattern by EvaPaige Quilt Designs.** Each participant needs their own original copy, and patterns will be available in class as part of the materials fee.
- 2 yards total assorted scraps in one color family or two coordinating color families, cut as indicated below.

The easiest method of choosing your color is to take the most overflowing scrap bin you have and start cutting – at least that's what I always do.

USE AS MANY DIFFERENT SCRAP FABRICS AS YOU CAN, and cut some of each shape from each fabric you use. In other words, don't cut all of your 2 ½” x 6 ½” pieces out of only one or two fabrics, etc.

Cut 16 2 1/2” x 6 1/2” rectangles

Cut 16 2 1/2” x 3” rectangles

Cut 16 1 1/2” x 4 1/2” rectangles

Cut 16 1 3/4” x 4 1/2” rectangles

- 2 yards background fabric. This should be fairly neutral; your scraps are the stars of this quilt! We will cut this in class.

NOTE: PLEASE do NOT cut your background. Even if you already own the pattern and want to cut it, DON'T. I promise you you will not be behind, and you will be mad that you wasted time because we won't be cutting it as it is in the pattern.
