

# Spider Web Pillow Supply List

- Sewing Machine with **zipper foot** (to make a pillow)
- Basic Sewing tools and supplies
- Fabric for Pillow:
  - Use some of those you have been saving and highlight them in your spider web. A mix of Fat Quarters that you may want to use together. (Do not pre-cut into strips)
  - Pillow backing: 22" by width of fabric (with selvages) and a 22" zipper, nylon standard weight also known as a #3 nylon coil
  - Muslin.... for your foundation you will need 4 **11" x 11"** squares to make a (20x20) pillow.
- 20 x 20" square of batting for the pillow top
- Thread: Colored cotton (anything that you can see when sewn on muslin) used for piecing
- *\*\*Recommended:* June Tailor's Shape Cut JT-796 Ruler
- *\*\*Recommended:* June Tailor's Grid Marker (JT-717) for marking your muslin
- *\*\*Recommended:* O'Lipfa Lip Edge Ruler-5"X24"
- *\*\*Recommended:* Seams Perfect's "wacker" <http://www.piecesbewithyou.com/> alternatively, a 1 Lb. Neon Orange Dead Blow Hammer from Harbor Freight <https://www.harborfreight.com/1-lb-neon-orange-dead-blow-hammer-68980.html>

\* Quilt size shown above: 77" square and requires 64 squares of muslin.

\*\*Recommended items are not necessary for workshop, I will have a few to share.
