Volunteer Highlight

by Jim Meadows, Outdoor Connections Manager

Karen Kingzett has been a dedicated volunteer with Lake Metroparks since 2019. Her parents were avid volunteers and encouraged her to do the same at a young age. She was born in Cleveland and grew up in Akron, Cincinnati and Columbus. She returned to Cleveland to start her teaching career as a math teacher at Glenville High School and Shaw High School. She had many wonderful students and worked with dedicated staff members. She loves to travel, especially internationally. After retirement, she taught part time at Cuyahoga Community College and helped at an after-school tutoring program. Karen says she is "an outdoor girl" so when choosing where to volunteer, she selected Lake Metroparks, Holden Arboretum and Cleveland Metroparks. Karen has volunteered in a variety of capacities for the park district over the years, most notably at special events like Maple Sugaring Weekends, Dairy Days, Breakfast in the Park, Lamb Jam and Candy Land and she has also spent time serving as a school guide. She especially loves assisting with adapted programs including boating, archery, music, track, golf and basketball.

Karen takes the time to get to know the adapted participants and provides enthusiasm, care and patience. She loves to keep score on the electronic

scoreboard during basketball games while praising and encouraging the athletes. The participants always enjoy Karen's kind demeanor and positive attitude. To date, she has contributed more than 300 hours of her time to improving the quality of life for many park visitors.

Karen's other interests include tennis, quilting and spending time with family and friends. Because of her sewing skills, she volunteers at Sew4Service which supports more than 50 charities. Karen says volunteering has helped her become positive and she encourages everyone to volunteer as it "helps others, allows you to meet wonderful people and enriches your own life in ways you cannot imagine." We thank Karen for her time, intelligence and laughter and appreciate all that she brings to her volunteer assignments at Lake Metroparks.
